

Lower Burdekin Water – Southern Division

Annual Open Water Shutdown

9th May 2017

Southern Division System Closures

All users of Open Water in the Southern Division of Lower Burdekin Water are hereby advised that water may not be available for Riparian and Open Water Users from:

Saturday, 10th June 2017 to (and including) Saturday, 24th June 2017 (2 Weeks)

This is the SunWater Burdekin Haughton Water Supply Scheme Annual Planned Maintenance Shutdown and is in addition to LBW Capital works.

LBW Capital works will continue on Central, Fords, Mathers and Iyah Diversions through to 27th June 2017.

LBW Capital works on Warren's Gully, Munro's and Alma Diversions will continue through to 9th June and water may not be available until the end of the SunWater shutdown on 24th June 2017.

Growers should organise their irrigation schedules accordingly. For further information, please contact Southern Operations Manager Charlie Papale 0407 636 488
