Customer Feedback Process

Lower Burdekin Water places a high value on customer feedback with a view to improving our performance. We recognise that there may be times when we do not get it right, and if this happens we want to learn and understand how we can improve. If you are unhappy with our service, we welcome the opportunity to put things right. We hope this process will be a constructive expression of feedback for you, especially if a response or resolution is expected.

You can do this in any of the following ways:

- Write to Lower Burdekin Water at PO Box 720, Ayr Qld 4807
